

STATEMENT OF FUNCTIONS

CHIEF, SECURITY POLICY AND PLANNING STAFF

1. As authorized by the National Intelligence Authority, formulates and promulgates coordinated Federal security policies pertaining to the safeguarding of classified information and intelligence material of the departments and agencies of the United States Government in the interest of national security.
2. Prescribes and supervises implementation of security policies for all activities of the Central Intelligence Group to insure, on a world-wide basis, the control and safeguarding of information, intelligence material and equipment and the security of personnel, installations, sensitive sources of information and operational techniques and methods of the Central Intelligence Group.
3. As authorized by the National Intelligence Authority, formulates coordinated Federal censorship policies and procedures for implementation in the event of a future emergency or state of war.
4. Prescribes security policies to govern the liaison and contact relations with, and the disclosure of Central Intelligence Group information to, non-participating Federal government departments and agencies; surveys security controls and measures employed for the safeguarding of information within these departments and agencies.
5. Upon request by appropriate authority, acts for the Director of Central Intelligence in the security coordination of public relations, press or similar releases and other publicity matters pertaining to the Central Intelligence Group.
6. Coordinates, in conjunction with appropriate offices of the Central Intelligence Group, matters relative to the technical security activities of departments and agencies of the Federal government in the fields of secret means of communication, radio direction-finding equipment and techniques, counterintelligence operations and other similar and related subjects.
7. Reviews and renders decisions on behalf of the Central Intelligence Group in unresolved matters involving questions of policy and procedure relating to the classification, downgrading and declassification of information and intelligence material.
8. Upon request by appropriate authority, acts for the Director of Central Intelligence on Federal government boards, committees or other bodies to determine, from the standpoint of security, the releasability of classified information or intelligence material.
9. Maintains continuing active liaison with member agencies and other Federal government departments and agencies, in the interest of national security, to the extent necessary for the implementation of the approved functions of the Security Policy and Planning Staff.
